**SPECIAL FILMING CONDITIONS
VICTORIA AVENUE BETWEEN COUNTRY CLUB DRIVE TO PICO BOULEVARD**

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted at least three (3) days in advance.*
- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless affected residents (generally those within 300' of the filming activities and 200' of equipment parking) are surveyed to identify neighborhood concerns and approval is obtained from the Permit Authority. The approved times must be indicated on the permit.
- **Posting may be requested for parking of production vehicles only and will be limited to 400' on the east side of the street only. An extension of posted parking request requires that affected residents be surveyed.** Film company vehicles shall not interfere with gardeners' activities, trash pick-up, safe use of streets or access to resident driveways, unless approved by the affected residents.
- **One LAPD officer authorized to work on movie jobs is required to assist residents' ingress and egress from their property when equipment vehicles are parked on the street.**
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
- **Generator(s) with the proper noise shield shall only be parked in front of location house, or in front of houses that have approved this activity, not on the location property.**
- **Trash and refuse must be removed from the area immediately after filming activities are completed.**
- **Personal vehicles of cast and crew may not park on area streets.** Off-street parking must be provided.
- **Craft services, catering trucks, food preparation tables and dining tables are prohibited on sidewalks or parkways and must be out of public view.**
